Dear Mary Shuler,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2019-290-WS - Application of Blue Granite Water Company for Approval to Adjust Rate Schedules and Increase Rates

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer, and have been for 20 years.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

This rate increase is outrageous. I will be retiring soon and cannot afford to pay this much for water and sewer. The money they are claiming that they need to pass on to customers is a cost of doing business. I am sure they are getting some kind of tax credit/break for the repairs they are trying to make their customers pay for. They have had rate increase after rate increase in the 20 years I have been forced to be a customer. They need to sell out to one of the other water facilities that charges way less than what I have had to pay over the years.

THIS IS ANOTHER NUCLEAR REACTOR SCAM ON CUSTOMERS WITH NO SAY IN THE MATTER.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
